CLERK OF THE COURT
By JACKIE LASWELL Deputy

Dear Judge Chandler and Foreperson Calkins:

On June 15, 2010, I received the Grand Jury's reports for the 2009-2010 year. I have reviewed your summary and findings. I would like to extend my thanks to the Grand Jury for its comprehensive report regarding the schools that were visited. I have noted that the report provides an introduction and a discussion for two charter schools, one K-8 elementary school, and one high school ROP program. I have also noted that there were no recommendations made for the sites visited.

As required by California Penal Code Section 933, I am responding to matters discussed in the report which fall under the authority of the County Superintendent of Schools. The summary for the Yuba City Charter School discusses the credentials of the school's teachers. I have verified that the information contained in the Grand Jury's report, as it relates to this agency's oversight responsibility, is accurate.

Sincerely,

Kathleen Hansen
County Superintendent of Schools
